

APPRECIATING DIVERSITY WITHIN THE TEAM

Training for Learning Co.
Realise your potential

Outline: A 'big picture' view of the diversity of personalities using the MBTI framework which has been based on the Type study by Carl Jung. MBTI assists you to identify strengths and unique gifts. It helps you understand yourself as well as those around you.

Aim: To enable participants to learn the structure and application of training others to perform a task or role to an established standard.

Morning session:

Identify your personal profile.
Analyse a report on your personal profile
Describe some fundamental differences that are experienced every day.

Afternoon session

Understand your type in the role of communication with others.
Appreciate the subtle differences of others.
Identify keys to enhance productivity and cooperation.

Presented by Catherine Logue

Catherine has been involved in the business sector for 40 years. Working in the training sector she shares her experiences and workable applications with her participants.
