

Promising Leaders Forum

Overview: This forum is aimed at people who are demonstrating leadership potential as leaders in their field of business. These promising leaders will grow and develop a vast range of skills and capabilities, networking with their peers from different industry backgrounds and understanding the art of influence and inspiration they will create in their own workplaces.

ONE WEEK FORUM

Promising leaders attend a full week of workshops. The program covers the content and theory with practical case studies; then attendees return to their work environment to implement the leadership techniques they have attained. This can be linked to the Certificate IV in Frontline Management BSB40812 if participants are ready to undertake reporting projects. Auspiced by HBTA 30831
